

## ***Faces of Parker Woods Montessori*** **Self-Portrait Mural**

We are asking you to be a part of a project that is truly unique in the history of Parker Woods Montessori. The PTO is partnering with the company Original Works to create a mural inside the school made up of student self-portraits. Original Works is a company that takes student artwork and turns it into 4" x 4" ceramic tiles. We will take these tiles and construct a permanent art piece inside of the school showing off the beauty and creativity of our school.

**This is a fundraiser for the Specials classes and will support Art, Music and Gym.**

It is our vision to have each student represented in this wonderful new art piece. Students in the 6-9 and 9-12 classes completed their self-portraits for this project last year as part of the art curriculum. If your child is a new student or is in the 3-6 classes and you would like them to create a self-portrait for the mural please contact us to and we will make arrangements. We will also be creating tiles for all of the teachers and staff that make up the Parker Woods Montessori Family. A sample of the Mural will be on display in the school office.

*To order your tile please fill out the form below and enclose cash or check payable to PWM Foundation. Envelopes will be collected before and after school: Thursday Feb. 2, Friday Feb. 3, Tuesday Feb. 7 and Wednesday February 8 as well as at the PTO meeting Wednesday February 8.*
