

# Meet Mrs. Molly

Please allow me to introduce myself and tell you how very excited I am to have your child in my class. My name is Molly Wellbrock. I was born and raised here in Cincinnati. I graduated from Xavier University with my Bachelors, Greater Cincinnati Center for Montessori Education with my Montessori Credential, and am currently attending Mount St. Joseph University to obtain my Master's in Reading Science. I have Montessori training in both 3-6 and 6-9 and this is my fourth year teaching in Cincinnati Public Schools. I am married with 3 children, a 12 year old daughter who attends Clark Montessori, a 9 year old son at Dater Montessori, and a 2 year old son who will start at Dater Montessori next year.

I am excited to join Parker Woods Montessori! I've heard wonderful things about the school community. We will spend the first few weeks of school establishing the daily routines of the class as well as getting to know one another. Our classroom will be an environment where all students feel comfortable and safe. Expectations include responsibility, respect, choices, and consequences.

All students have their own unique gifts and talents and I look forward to learning about your child. Would you take a moment to jot down any information you feel is important for me to know about your child, your family, or anything else? My hope is that our communication will allow me to help your child learn and grow over our three years together.

Please feel free to contact me at anytime with any questions or concerns you have.

Your partner in your child's education,  
Mrs. Molly Wellbrock

School: (513) 363-6200 (I will provide my direct line when school starts)
